

THE TARIFF MEASURE

Reported by the Senate Finance Committee.

NO VERY SWEEPING CHANGES

Made in the McKinley Bill—Duties on Soft and Hard Steel, Pottery and Glassware Schedules Reduced Somewhat.

Special Dispatch to the Intelligencer.

WASHINGTON, D. C., June 18.—The Senate Finance Committee submitted its tariff bill to-day. The bill follows closely the lines of the Senate bill of 1888, and while a good many small reductions are made in the schedules of the House bill and numerous changes, there are no such sweeping reductions as were attempted in the House bill. The items of greatest interest to West Virginia are as follows: Duty on soft steel is reduced from 5 to 4-10, and on hard steel from 10 to 10-10. It will thus be seen that while the fractions remain relatively the same the proportionate rate of duty is somewhat in favor of hard steel. The glass schedule as a whole is reduced to the former Senate bill basis, which is slightly below the existing law. On china, porcelain &c the duty is reduced from 60 per cent ad valorem to 55 per cent, and from 60 to 50 per cent on glass. Soft, wool and wood remain as in the McKinley bill. The tobacco duty is brought back to 3 cents instead of 4 as proposed, and all of the special taxes on producers and dealers in meat, and on retail dealers in general are restored under the existing law. In the Internal Revenue schedule of duties the House bill has all rejected features of the McKinley bill, and the tariff schedule relating to vinegar and sweet wine manufacture. Debate is not expected to begin till about July 1.

THE SCHEDULES AFFECTED

By the Tariff as Reported by the Senate Committee.

WASHINGTON, June 18.—A full meeting of the Senate Finance Committee was held to-day, at which the Chairman, Mr. Morrill, was authorized by a strict party vote to report the tariff bill with amendments. A member of the committee says that, with the exception of the wool and agricultural schedules, the bill is almost identical to the bill of the House of Representatives reported in 1888. No formal report accompanied the bill, nor is it certain that any will be prepared. A statement will be reported to the Senate as soon as it can be prepared showing the effect of the bill upon the receipts of customs as compared with the receipts under the present law, and those estimated under the proposed law. The committee is of the opinion that the bill will not begin until about July 1, in order that more time may be given for study of the bill.

The members of the Finance Committee say that the Democrats indicated that if an opportunity were given in advance to study the schedules the debate would be materially curtailed. The following are the changes made in the schedules of the Finance Committee in the tariff bill:

The glassware classifications are changed and a general reduction has been made. The rate on glass is reduced from \$1.40 to \$1.20 per ton; mica and crude nickel are put on the free list; nickel boards \$1 per 1,000 feet instead of \$1.50. No bounty is to be given for less than 100 pounds of sugar annually, and the sugar between 13 and 16 Dutch standard, pay a duty of 3-10 cents per pound. Sugar above 16 pay 10 cents instead of 4-10 cents per pound. Tobacco is unchanged. The reduction in many of the items in the agricultural schedule and exports of meat are not allowed a rebate on salt in curing meats. Natural refrigerating minerals are reduced to 20 per cent on cotton manufacturers are reduced on all cotton the schedule, also in the flax, hemp and jute schedule. Only slight changes are made in wool, the principal one being a reduction in the tariff on the manufacture of woolen goods. The limitation of \$500 as the value of wearing apparel a person may bring into the United States is stricken out.

The Senate Finance Committee struck out all the changes made by the House bill in the Internal Revenue regulations respecting the tax on tobacco, the manufacture of cigars, and the duty on wine. The law is as it stands at present. The Internal Revenue tax on opium prepared for smoking was increased from \$5 to \$10 per pound.

Representative Lodge will prepare the bill, and expects to get it to the House to-morrow. The minority members of the committee will also prepare a report in opposition to the measure for submission to the House.

Two Nominations Rejected.

WASHINGTON, D. C., June 18.—In the Senate executive session, this afternoon, two nominations of President Harrison, who were appointed a year ago, were rejected. They were John Beaver, Collector of Internal Revenue for the Fifth district of North Carolina, and John S. Schuch, postmaster at Santa Fe, N. M. The following nominations were continued: L. S. Hunt, New York, consul at Guelf, Ont.

THE SILVER BILL

Reported to the House—An Interesting Point of Order on the Debit.

WASHINGTON, June 18.—The silver bill as amended by the Senate was presented to the House at 12:45. It was received with tremendous applause by the Democratic side. Mr. Brand, of Missouri, immediately moved that the Committee of the Whole arise in order that they might at once proceed to the consideration of the bill.

Mr. Peck, of Arkansas, who had the floor, was induced to yield to this motion, but the Chairman of the Committee (Mr. Allen, of Michigan) directed the clerk to continue the reading of a long precedent hearing, upon the point of order then under discussion. At the conclusion of the reading, Mr. Brand's motion was put and was defeated on a standing vote by 70 to 30.

On a vote by tellers the Committee refused to rise—yeas 101; nays 105—and continued the consideration of the Indian Appropriation bill.

Mr. Parsons, who has charge of the Indian Appropriation bill, was prepared to move to return at once to Committee of the Whole. Had his motion been defeated a call for the regular order would have been made, and the House would have proceeded to the consideration of the Speaker's table. There the old standard stands. The rule is peculiar in its phrasing. It reads: "House bills with Senate amendments which do not require consideration by the Committee of the Whole, may be at once placed on the House as they may determine."

It will be noticed that the provision is not mandatory, inasmuch as the word "may" is used, and it is suggested that there was a distinct purpose in its use. It is understood also that when the bill is finally reached on the Speaker's table the House must order what will be made.

It must be noted that the Committee of the Whole under rule 20, which subjects to a point of order any amendment of the Senate to a House bill, and which requires the amendment to be subject to that order. The members who stand ready to make this point hold that the clause in the bill as amended by the Senate made an indefinite appropriation to carry out the purpose of the bill, is subject to the point, but the free coinage men hold that as the House bill contained a provision for the purchase of silver monthly, this clause cannot be regarded as an amendment, and is therefore not subject to the action of the House.

The real issue, however, is whether the appropriation clause is held to be indefinite in purpose—once making an appropriation for bullion purchases and the other for the expenses of free coinage. The Speaker, however, who the bill presented are delicate and intricate, and the indications are that when the point is made there will be a prolonged discussion. If that decision should be rendered, the point of order, then the bill will be sent to the Committee of the Whole, from which it cannot probably be recalled, and the action of the Committee on Rules.

Presidential Nominations.

WASHINGTON, D. C., June 18.—The President to-day sent to the Senate the following nominations: George J. Collins, postmaster at Brooklyn, N. Y.; Frank S. Johnson, at Bradford, Pa.; and John A. Johnson, at Bradford, Pa.

To be United States Consuls—William Newell, of Washington, at Managua, Edward D. Ropes, Jr., of Massachusetts, at Zanzibar.

Anti-Trust Bill.

WASHINGTON, D. C., June 18.—In the Senate to-day the conference report on the anti-trust bill was presented and agreed to. Both Houses recede from their respective amendments and the bill remains exactly as it was passed by the Senate.

The Senate then proceeded to the consideration of the legislative, executive and judicial appropriation bill.

Must Remain in Original Package.

DES MOINES, Iowa, June 18.—Judge Kavanaugh has rendered a decision on the original package case of the State vs. Terry Chambers. The judge sustains the lower court in condemning the State's case, and holds that the original package must remain in its original package, and was selling in quantities to suit purchasers. The opinion says that the right of a citizen to import and export goods is a right which cannot be taken away from him by the State.

Census Returns Confirmed.

MINNEAPOLIS, Minn., June 18.—A posse of officers armed with a search warrant went to St. Paul at an early hour this morning to recover the census returns confiscated last night by Deputy Marshal Taggart. They were driven out of Commissioner McCaffrey's office at the muzzle of revolvers. The city is in a state of excitement, and the National Democratic Committee last fall, surrendered himself to-day. Bail was fixed at \$1,500 by Judge Loomis in the Circuit Court.

Pland Inquiry.

NEW YORK, June 18.—Robert L. Wallace and Ignatius B. Lowitz, who went to Cuba after stealing money belong to Wallace's uncle, the proprietor of Waller's Monthly, were arraigned in court to-day. They were charged with larceny in the first degree and were remanded for sentence.

Government Wins.

MONTREAL, June 18.—The elections for the province of Quebec were held yesterday. They resulted in the Mercur government being sustained by an increased majority. The standing of the parties is as follows: Ministerialists 49; Oppositionists 22.

Gold for Europe.

NEW YORK, June 18.—Heldelbeck, Klehmer & Co., order \$500,000 gold for shipment to Europe to-morrow.

THE UNHAPPY FAMILY.

Democratic Desperation Conference at Parkersburg.

THE LEADERS OF THE PARTY

Out in Force—Some Very Violent Fun Ahead in the State Committee—Ex-Congressman Snyder May Tell an Interesting Story.

Special Dispatch to the Intelligencer.

PARKERSBURG, W. VA., June 18.—When the Democratic State Committee resolved to hold its meeting at Parkersburg, the idea of sending invitations to all the county chairmen and other prominent Democrats was hit upon as a good thing to do, and the invitations were accordingly sent out. The object was to hold a conference of all the leading minds for the purpose of mapping out a "plan of campaign" for the coming fall. The invitations were responded to liberally, and to-night the hotels are crowded to their utmost capacity with the county chairmen and other prominent leaders, and the conference has already begun. It is going on in sections, the various divisions being assembled in the morning, and the front of the barn and on the street corners. The principal things being discussed are the harmonizing qualities of Parkersburg beer and the condition of fences of various counties for Congressional and Legislative office.

The fan will come in when the prominent Democrats confer with the State Committee and tell their plainly that the party has been brought to the verge of a precipice by the imbecile management of the aforesaid committee. There will be plenty of plain talk, and the town will be a scene of confusion. The conference room is a large hall, and the chairs are arranged in a circle. The room is filled with the smoke of cigars, and the air is thick with the sound of voices. The conference is expected to continue for several days, and it is expected that it will result in a new plan of campaign for the coming fall.
